The Fall retreat is always a highlight of the year and something you will not want to miss. You will be able to get away and enjoy a worshipful and spiritually challenging time with God. It's a great time of getting to know each other better and, you get to have lots of fun playing games and hanging out. We are returning to the Martin cabin, which is nestled in the woods with a ton of activities on site. Some things the cabin offers are sand volleyball, air hockey, ping pong, foosball, table shuffleboard, and a creek. We are so excited to welcome Jay Trainer as our speaker this year and look forward to what God has in store for the weekend.
