

# 2018 Collide Summer Missions Trip

**JUNE 17-22 (SUN-FRI.)**

**RUTLAND, VT**

Here are the details of our Collide 2018 Summer Mission Trip.

The organization we are going through for our 2018 mission trip is called YouthWorks. We went through this organization in past years and look forward to working with them again. For this trip, we will be going to Rutland, Vermont. Much of the service work our group will do in Rutland includes the outdoors and getting close to the dirt. Whether you're helping develop and maintain trails at Pine Hills Park, serving with the Parks and Recreation Department staff or weeding in a community garden, you'll get to experience the great beauty of the Green Mountain state. Participants may also have the opportunity to serve through simple work projects, visit with some of Rutland's elderly residents or help other local organizations. In the evenings, we will have the chance to experience some unique activities, including indoor rock climbing, hiking and swimming.

The plan for the week is to arrive on Sunday and work Monday-Thursday. We will then come home on Friday.

To save your spot on the trip, we are asking for a deposit of \$25 to be turned in by November 19th. This saves your spot on the trip. The total cost for the trip will be in the range of \$250-300. This will be set once we get our group finalized. The total cost for the trip will not need to be paid for till the Spring. We will be doing two different fundraisers that will allow each student to earn money towards their trip to help lower the cost.

Ok, so here's what you need to do to save your spot on this trip:

- 1) Sign up by the youth room by Nov. 19
- 2) Turn in your \$25 deposit by Nov. 19. The \$25.00 can be cash or check made payable to **"Cross Roads BIC Church"**

After the team is finalized, there will be more specific details and forms handed out.

Please feel free to contact me with your questions.
